## **UPDATE – Status of Augusta Health Medical Center and Medical Group**

This is to confirm that as of January 1, 2018, Augusta Health Medical Center will no longer participate in the Anthem hospital network. Augusta Medical Group of providers also will leave the network beginning February 1, 2018.

Augusta Health and Augusta Medical Group professional or institutional ancillary providers will remain in the Anthem network, which includes the specialties of durable medical equipment (DME), audiology, physical therapy, home health, independent laboratory and hospice.

We will keep you informed if there are any further updates, but until then, following are links which may be helpful to affected employees.
